

# ACKNOWLEDGEMENT

## OF PARTICIPATION

This is to acknowledge that employees of the company

7ma s.r.o.

have successfully participated in the on-site installation training at

Transference, Na okraji 335/42, Prague (Czechia)

on Date

26.9.2023

They have learned and demonstrated how to correctly install Sunman Energy modules:

- Cleaning of the installation site
- Recommended layout of panels to ensure safe and proper access
- Application of correct type and amount of adhesive
- Handling of panels
- Correct installation of panels

They also understand that it is their responsibility to follow the installation instructions of Sunman Energy as well as to do internal training to new employees.

With this acknowledgement

7ma s.r.o.

is approved to install Sunman Energy modules according to the most current installation procedures. This approval shall be renewed 12 months after the date of issue.
